

PHOTO MEET UP WITH BERGEN COUNTY CAMERA New Jersey Botanical Gardens

Welcome to the Team Up with Tamron Photo Meet Up brought to you by Tamron Americas and hosted by Bergen County Camera. This event is designed for all levels of photographers who want to learn more about taking photos of flowers, gardens, and at this meet-up, a historic Botanical Garden. This photo meet-up is also a fun way to hone in on your skills as well as spend time with fellow photographers..

Topics will include understanding light, point of view, composition, as well as knowing and experimenting with your lens and much more. If you are a beginner looking for great tips to help your picture taking, or a seasoned photographer hoping for some fresh photographic ideas, this meet up is for you!

What to bring to Seminar:

- Notebook and pen
- Camera and lenses you have questions about
- All your photographic questions

What to bring to Meetup:

- Camera body and lenses
- Tripod
- Comfortable camera bag
- Extra batteries
- Extra media cards

• **FREE TAMRON LOANER LENSES WILL BE AVAILABLE FOR YOU TO USE AT THE GARDEN**

YOUR INSTRUCTOR

Kristine Bosworth

KRISTINE BOSWORTH is a member of Tamron's technical team. Kris worked in the photography industry for nearly 30 years between filter and camera manufacturers prior to joining Tamron. She is an expert in establishing long term and trusting relationships, providing support to students and photographers of all levels, and helping photographers choose equipment that is right for them. Kris's own photography includes travel, landscape, and attention to details. you can find out more about Kristine here: www.facebook.com/TamronTechKristineB
